QUALITY FIT, EVERY TIME

Genie's commitment to quality in all we do means Genie® Genuine Parts deliver the dependability you and your customers count on to maximize uptime and productivity.

Anytime you need to replace a part, you can have confidence that Genie Genuine Parts were engineered specifically for your equipment, every time.

MADE TO LIFT

FORKS FOR GTH™ TELEHANDLERS

Highest
Quality Standards

Durable
Steel Construction

Engineered for
Genie® Machines

- Load, unload and transport materials with confidence and ease
- Save money by replacing less often
- Standard forks, lumber forks, and cubing tines available in multiple sizes to suit your jobsite demands

JOB FLEXIBILITY

GTH™ TELEHANDLER ATTACHMENTS

CARRIAGES

Available in standard quick attach, side-shift or rotate styles, allowing precise and efficient load placement and maneuvering. The side-shift carriage moves 4 in left/right and the rotate carriage rotates 10° in both directions.

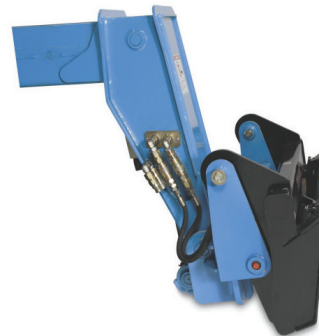

BUCKETS

Durable, reinforced buckets are available to suit your bulk material handling needs. Available in standard, heavy duty and grapple style.

TRUSS BOOMS

The perfect solution for overhead lifting, such as trusses or bulky materials.

UNIVERSAL ADAPTERS

Increase the versatility of your fleet. The adapter allows you to attach a wide variety of skid steer-type attachments in seconds.

GROUNDBREAKING ATTACHMENTS

AUGER DRIVE MOTORS FOR THE GTH™-5519 TELEHANDLER

BENEFITS

- Tear through the ground effortlessly with high-pressure capabilities, making drilling a swift and efficient process
- Designed for the GTH-5519, the auger drive motor is also compatible with high- and standard-flow skid steers, offering adaptability across different equipment
- Reducing the need for frequent replacements and/or maintenance, the auger drive motors are designed for durability and longevity

DURABLE AND MADE TO LAST

TIRES FOR TELEHANDLERS

- Resistant to abrasions, cuts and chips
- Secure and comfortable ride
- Durable tire for fewer replacements

AVAILABLE TREAD PATTERNS

- Rough terrain: For performance and traction on muddy and wet ground
- Non-marking: Prevents black tire marks on concrete
- Turf: For sensitive surfaces

ENDURO A/T™ TIRES

- Longer life: Up to 30% longer life than comparable OEM tires
- Center tread: Ensures smooth ride and is wear-resistant on rocky terrain
- Outside tread: Increased surface area and wide spacing for traction in mud and dirt
